

“ As president and CEO of a leading healthcare company, I know balance is vital to good health. Here, there is balance between work and leisure and between new challenges and opportunities, along with familiar people and places. It enables me to keep growing, personally as well as professionally. That’s why my life works in Buffalo Niagara. ”

-Alphonso O’Neil-White
President & CEO of HealthNow New York Inc.

Buffalo Niagara Enterprise worked with Alphonso O’Neil-White on HealthNow’s expansion in our region. We can do the same for you.
